## **Aylesbury Vale Academy - Primary Phase PE and Sports Premium Grant – September 2023 - July 2024**

### PE and Sports Premium Grant

The government provides additional funding to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on the provision of PE and Sport PE/Sports Grant Funding for schools is calculated based on the number of primary aged pupils (between the ages of 5 and 11) as recorded at the annual census in each January. The total amount of sport premium grant received by AVA Primary for 2023-24 is £19,810

It is for individual schools to decide how to spend the PE and Sport funding as they are best placed to assess what additional provision should be made to enhance their offer. 'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013). Schools are held accountable for how they have used the additional funding.

Spending is focused on sustaining and developing the quality of curriculum provision, broadening participation, developing competition and on building future capacity. A summary of planned actions is given below:
