Careers: Five job hunting tips

Don't let looking for a job turn into a part-time job. Whether you have your eye on a weekend gig or something more permanent, SYLO | Beyond HR's dos and don'ts on CVs, covering letters and interviews will see you navigate the application process like the experts.

Award-winning apprenticeships

Zenopa – one of the leading recruitment agencies in the healthcare industry – is looking for 10+ school leavers to join its 2024 Degree Apprenticeship programme based in High Wycombe. Apply now if you're interested in a career in marketing or business.

Scholarships: Increasing diversity among pilots

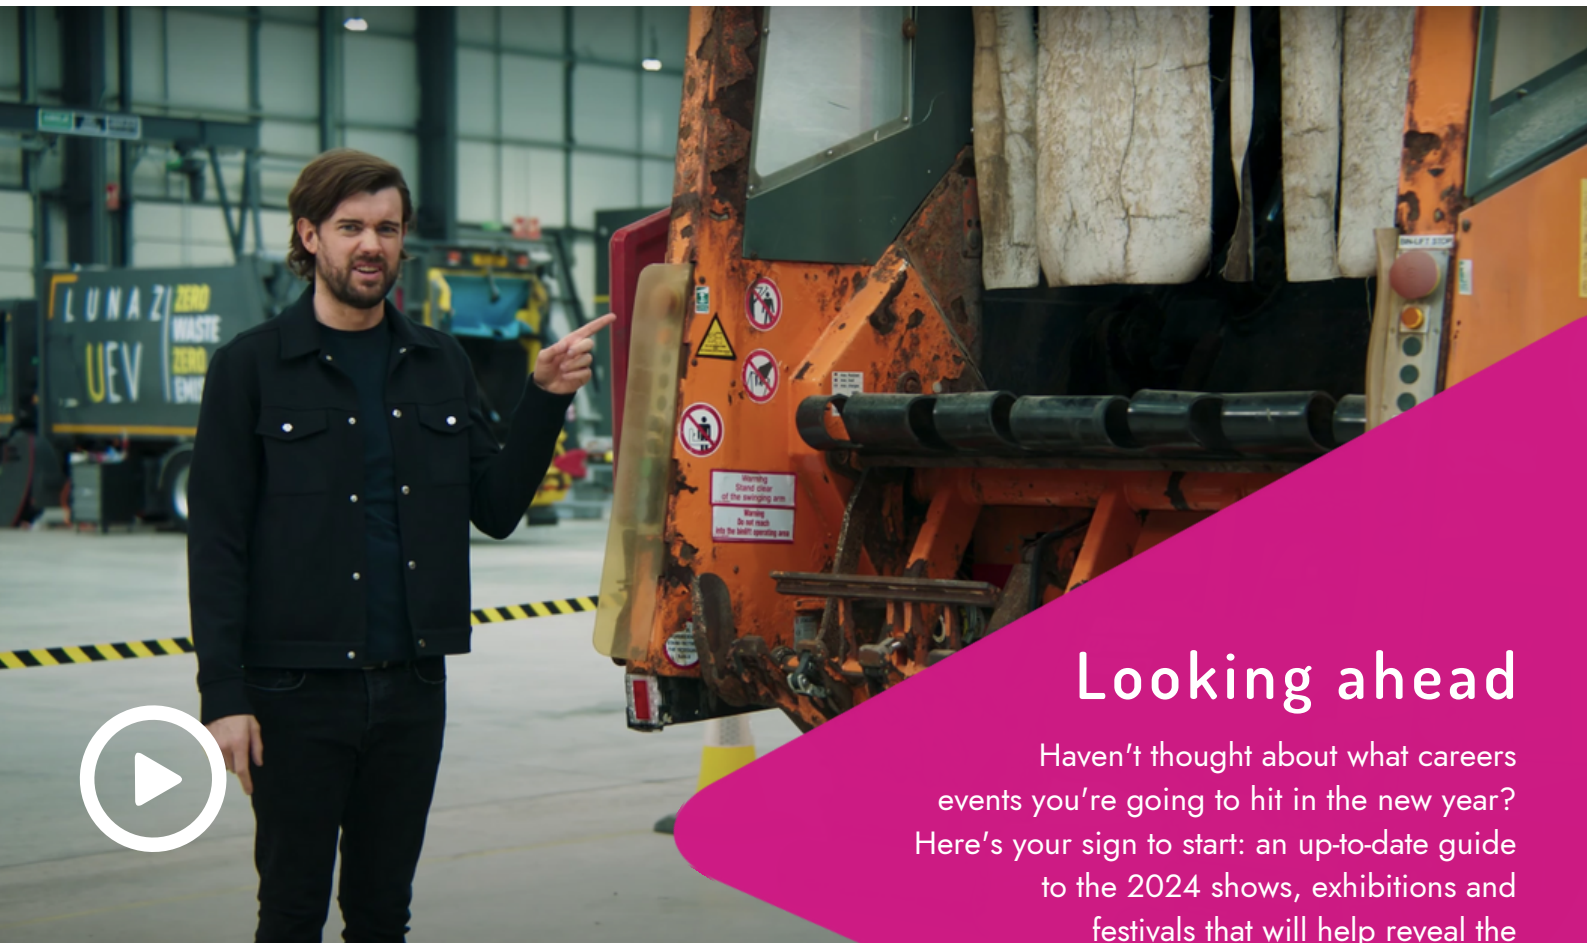

With only 7% of pilots in the UK coming from BAME backgrounds and an even smaller percentage being women, one of the biggest problems facing the aviation industry is a lack of diversity. Let's meet the businesses removing the barriers that make it difficult for underrepresented groups to enter the career path.

“Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending.”

Carl Bard

Careers: The green, green careers of Bucks

Who would have thought that driving a vintage supercar reduces your carbon footprint. In fact, Lunaz is saving tonnes of embedded carbon every year with the creation of the Upcycled Electric Vehicle – even Jack Whitehall is fan. Find out how you can [join the comedian and a growing number of Bucks-based businesses on the path to Net Zero](#).
