Dear Parent/Carer

AVA Choir Carol Services

I am writing to inform you of two approaching carol services that the wonderful AVA choir will be singing at.

The first is in Fairford Leys Square on Saturday 4 December starting at 5pm. We request that students arrive no later than 4.45pm in order to arrange the choir. The school will be accompanied by a silver band, together they will be leading the congregation. This concert will be approximately 30 minutes long and we strongly suggest that you dress up warmly as we will be outside and it may well be close to freezing.

Secondly, there will be a carol concert held in the school hall on Friday 10 December 7.30pm till 9.30pm and again the Academy choir will be leading the congregation.

We have informally checked the availability of the school choir and we hope that these dates meet with your approval. If there are any difficulties then please do not hesitate to contact the PA department we would be happy to speak with you. We would like all students to come to these concerts dressed in full Academy uniform. We would also like to invite you to these carol services. They are an excellent choir and will certainly do the Academy very proud.

Please fill out the consent form attached, specifically in relation to Saturday 4 December and return to Performing Arts no later than Thursday 2 December.

Kind regards

Mr C Hallam
Head of Performing Arts
