

The Aylesbury Vale Academy

Success Beyond Belief

A Church of England Academy

Weedon Road, Aylesbury, Bucks, HP19 9PG

1st December 2010

Dear Parent/Carer

PE Department

As of the 5 January 2011 (start of the spring term) students will no longer be able to 'borrow' pieces of forgotten kit for lessons. All students have (or were given) Academy PE kit and it is the expectation that all students bring this kit to lessons. Students not bringing in kit from the above date will be set theory work to do in lessons (but still go outside) and participate in observations and also have a 1hr Justice Session. If your child does not have kit then order forms can be collected from either the PE office or student reception.

Additionally the current PE extra-curricular programme is available on the Academy website (www.theacademy.me) and consists of

Girls Football on Tuesdays (3.20pm-4.20pm)
Badminton for all on Wednesdays (3.20pm-4.20pm)
Yr7 & 8 Boys Basketball on Thursdays (3.20pm-4.20pm)
All years Girls Netball on Thursdays (3.20pm-4.20pm)

I'd like to thank those students who have represented the Aylesbury Vale Academy so far this year and to those parents and supporters who have stood on the cold touchlines over this Autumn Term.

As winter is approaching and inclement weather is a possibility, I would like to draw your attention to the Aylesbury Vale Academy VLE (Virtual Learning Environment) where you will find plenty of resources that your child can complete at home in the event of a school closure (students log-in using their email username and password). In the event of cold weather and icy conditions, PE lessons will still take place either in the Sports Hall or the Gymnasium and students should still bring their PE kit in.

Yours sincerely

MR A POLAND
Head of PT
