COLLABORATING *for* EXCELLENCE

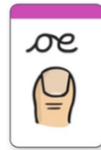

## YEAR 1 HOME LEARNING OUR TOPIC THIS HALF TERM IS "ROAR!"

Once you have completed the activities from the video, you will need to think of some questions that you would ask your favourite character in the story.

What would you like to know? Write these questions down and don't forget your question mark!

*Challenge:* If you are up for a challenge why don't you pretend to be that character and try and write an answer you think they would give.

### PHONICS

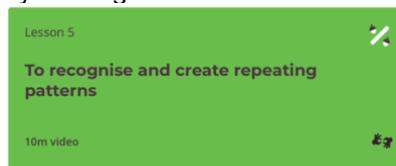

Phonics sound of the day is: /oe/

<https://www.youtube.com/watch?v=ZA1SEXLqUsM>

You need to watch Lesson 5 "To recognise and create repeating patterns" you can navigate to this by clicking on...

<https://classroom.thenational.academy/lessons/to-recognise-and-create-repeating-patterns-6rtpac>

Now can you make your own repeating patterns? You could try finding objects from around your home to make your pattern (cushions, tins from the cupboard lego bricks, I'm sure you can think of some other examples too). You can ask an adult to take a photograph of your pattern on their phone to send to your teacher. Alternatively, you can draw or stick shapes into your book. Can you name the shapes you have used?
