

The Aylesbury Vale Academy

COLLABORATING *for* EXCELLENCE

Thursday, 28 January 2021

Dear Parents and Carers,

We would like to thank you for all of the engagement from the children in Year Four. We have been very impressed with the work sent in so far.

From w/c 8th February, we will be setting quizzes every day for arithmetic/timetables and a spelling test once a week for the children to complete. These will be set through Microsoft Teams. The children will be able to answer the questions and then have these marked straight away. We hope that this instant feedback will allow the children to know the areas they need to be practising. By the end of Year 4, the children should be confident in their times tables and this will help them to continue to develop these important skills.

Over the next week you will receive an email with the children's login details for Microsoft Teams along with a parent user guide. This will allow you to practise with your child logging into Microsoft Teams and seeing the class page and where the quizzes will be set from for the following week.

If you have any questions, please send them into the Year Four enquiries email (year4enquiries@theacademy.me) and we will endeavour to answer them.

Thank you for your continued support,

LKS2 Team
