Formal and informal writing
Word classes
Tense
Sentence structure

Science

Properties and changes of materials.

Pupils will be taught that some materials will dissolve in liquid to form a solution, and they will be able to describe how to recover a substance from a solution.
They will use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating.

Maths

Number and Place Value
Multiplication (short and long), division (short)
Problem solving

Links in Learning

As part of their topic work in Year 4 on the Romans children looked at the Roman army and the weapons used. They also created persuasive recruiting posters for the Roman army.

Languages: Spanish and French

Pupils will be taught to appreciate stories, songs, poems and rhymes in the language.

RE

Does God communicate with humans?

Do sacred texts have to be true to help people understand their religion? Is religion the most important influence and inspiration in everyone's life?

History

WW1 as a significant turning point in British History.
Focusing on trench warfare, the spread of disease and key moments during the conflict.

PSHE

Being me in my world – to help everyone to feel welcome in our environment and to understand that everyone has a right to learn.

Music

Pupils will be taught to play and perform in solo and ensemble contexts, using their voices with increasing accuracy, fluency, control and expression during the Christmas music concert.

PE

Pupils will be taught to take part in outdoor and adventurous activity challenges both individually and within a team.

Art and Design

Pupils will be taught to improve their mastery of art and design techniques by creating propaganda posters.

Computing

Introduction to Office, using Word, PowerPoint, Paint and accessing emails.
