[Music club run by Will Griffiths external music teacher](#)

I will be offering the chance to learn some popular tunes on Keyboard, Guitar, Ukulele and Percussion. There will opportunities to try out Banjo, Mandolin and other instruments along the way. Over the course of the term we will be composing some short pieces in different styles. Children will be coming away with a deeper understanding of music and its history, as well as practical experience of playing.

ALL CLUBS

Payment can be made online via the school gateway app under Payments, which will secure the place, from **5 April 2025**. Without payment there will be no space for your child.

We will not be opening the payments for additional children after the deadline of **24 April 2025**, you will not be able to be added later. This is to secure all registers and the movement of children after school. ***We will also not be crediting back any clubs that are booked so please ensure that your child wishes to attend before booking.***

Pick up will be at Gate A at the time listed above. Please remember that the car park will be open and cars may be leaving at the same time so all children need to be with their adult and not on scooters or running around for their own safety.

YDP please book directly with the provider

Cost is £20 for the term.
