

## Reception Home Learning 30.11 22

Good morning everyone, so sorry we can't be together today. Here are some ideas so that you can carry on with your fabulous learning...

We would love to see your learning on Evidence Me.

We hope you have a lovely day and look forward to seeing what you have done.

**Challenge 1-** Remember our Stick Man story from last week... please retell the story to your parents/carers and create your very own stick man. You can do this in any way you choose. You might enjoy following the links below to help you remember the story.

The whole story can be watched here:

There are many stories about nature, you might enjoy this one too...

**Challenge 2-** We have been learning different ways to make the numbers 4 and 5. Why not sing the following rhyme together. One little elephant came out to play

Please either draw your own web or print out the attached web.  
While singing the song place one object at a time on the web. Each  
time you are adding **1 more**.

**Challenge 3-** Practise your mindfulness breathing.
