# **PARENT BULLETIN No. 46**

# 18th March 2022

## Welcome

At last some good weather has arrived which does a great job of cheering everyone up. Students go outside more, get more fresh air and, in turn concentrate better in lessons. Fingers cross for more sunshine!

A reminder that we now have two weeks left until the end of the Spring term. We will finish at 3:00pm on Friday 8<sup>th</sup> April.

## **Covid Update**

I am pleased to say that we still have very low Covid numbers across the Academy with only **5 cases among 1789 students** (primary and secondary). However, if you are still a little unclear about what the 'rules' are currently, I hope this will help:

#### What to do if you have symptoms

If you have any of the main symptoms of COVID-19, even if they're mild:

- 1. Get a **PCR test** (test that is sent to a lab) to check if you have COVID-19 as soon as possible.
- 2. Try to stay at home and avoid contact with other people until you get your test result.

#### Get a PCR test to check if you have COVID-19 on GOV.UK

You should stay at home and avoid contact with other people if you:

- have any of the main symptoms of COVID-19
- have tested positive for COVID-19 this means you have the virus

While you're no longer required by law to self-isolate if you have COVID-19, you should still stay at home and avoid contact with other people. This helps reduce the chance of passing COVID-19 on to others.

If you have COVID-19, you can infect other people for at least 5 days from when your symptoms start. If you LFT when you are symptomatic you are highly likely to spread the virus due to a possible false negative on an LFT. Please get a PCR. We would rather 1 student self isolate for 5 days following a PCR than the next week have 5 students needing to do so.

Get advice about staying at home and avoiding contact with others if you have COVID-19.

If you have any questions about anything in this bulletin, please contact us at <u>enquiries@theacademy.me</u>.

Have a good weekend.

## **History Hero**

This week's History Hero is **Alexsandra Navrocka** for great progress and hard work in her Year 9 GCSE studies.

Keep it up!

**History Team** 

## **Maths Challenge**

Our winner for this week's Maths Challenge is **Malaika Qadeer** of 9Fr1. Well done **Malaika** for being very **resilient** and winning the challenge.

### **PE News**

#### Year 8 Football vs Cottesloe (15/03/22)

The game started with both sides having their fair share of chances. By half time the score was tied with Cottesloe hitting the cross bar and the post on separate occasions. The game played on into the final seconds where **Azaan Aslam** poked the ball past the Cottesloe goalkeeper with barely enough time for a restart.

Man of the Match: **Charlie Saunders** Final Score: 1-0 to AVA! Goal- Azaan Aslam

## **Rotary Club Young Writers Competition**

Congratulations to **Julia Borucinska** (Year 7) and **Kallum Veeriah** (Year 10) who competed with 25 other schools in a Rotary Club Young Writers Competition. They were awarded Runner Up prizes in the competition. The judge Rebecca Levene (British author and editor) noted clever uses of language in Julia's piece and "good propulsive rhythm, very original take on the theme and with something real and important to say" in Kallum's. Well done to both!

## **Geographer of the Week**

Every week we nominate a Geographer of the week, for outstanding work and effort in Geography. This week we have nominated **Joshua Osborn**. Joshua has shown aspiration in lesson as he works very hard on every task and is committed to doing well in Geography. He has shown real depth to his answers by responding well to feedback and gaining more knowledge when participating in classroom discussions. He has show progress in his assessment and continues to show resilience in all lessons.

Well done!

#### Geography Team.

## Ski Trip 2023: Austria- 10th Feb-18th Feb 2023

The annual Ski Trip will be taking place again next year during February half term to Austria. If any students in Year 5-10 are interested in attending, please ask your child to collect an information letter from the PE office and return to Miss Fuller

#### Update

Last Friday we welcomed Mrs Ripley, our Medical Officer to our Assembly who delivered a presentation on allergies and anaphylactic shock. It was very informative, students were made aware of potential signs and symptoms and shown what medication looks like. **Zack P** was invited down to the front and provided a guided demonstration of using an Epi-pen on an orange – a big well done and thank you to him.

#### **Science Week**

This week the Academy has been recognising Science Week - for Year 7 this has taken the form of visits to form rooms by our Year 11 Science Ambassadors. Live experiments were demonstrated to explore air pressure using a heat source, beaker and an egg. Students were encouraged to ask questions, it is our hope that we ignite a scientific interest within our co-hort and encourage them to explore concepts further.
