Dear Parent/Carer

INSTRUMENTAL TUITION AT THE AYLESBURY VALE ACADEMY – 2023/2024

I am writing to you to inform you of the instrumental provision at the Aylesbury Vale Academy as I am very keen to encourage any student who has an interest in learning an instrument to start lessons at the Academy or, to continue their music lessons they may have been having from primary school.

There is the possibility of learning guitar (electric, bass and acoustic), keyboard, piano, singing, clarinet, saxophone, drums, flute, violin, viola, cello and select brass instruments. If there are any other instruments which your child may wish to learn other than the ones mentioned, please contact the music department and we will endeavour to put the lessons in place. Currently there is a charge of approximately £11 for each lesson once the school subsidy of £2 per lesson has been applied. Lessons range between 20 minutes and half an hour in length. Some of our peripatetic staff also teach in pairs and groups of students which reduces the cost even further.

We are very excited about the provision of instrumental lessons at the Academy. Our teachers are all enthusiastic professional musicians with a wealth of experience enabling them to guide their students with a suitable amount of pace and challenge.

If you are interested in your son/daughter having instrumental lessons, please complete the tear-off slip below and return to me at the Academy or complete the music Lesson enrolment section on the Academy website www.theacademy.me/y7music tuition. Please be mindful that these lessons are one-to-one, or in small groups and may require your son/daughter to attend during normal lesson time. Once I have received your reply, I will either contact the relevant instrumental teacher who will then contact you directly with more details, or I will provide you online enrolment links from the relevant teachers if applicable. If you require any further information about instrumental lessons, please don't hesitate to contact me at school or at challam@theacademy.me

Yours sincerely
