

BTEC NATIONAL Level 3 Extended Diploma In Business

EXAM BOARD: Edexcel Pearson

QUALIFICATION: Equivalent to 3 A levels

COURSE INFORMATION

The course is designed to provide learners with:

Work-related learning, giving learners an edge and opening the door to higher education or employment in business sectors.

The course provides clear progression routes into higher education or employment: such as a BA in Business, or direct entry level employment and training in marketing, sales, HR, events, finance or accounting. Learners are taught transferable skills development such as teamwork, creative problem solving and research.

ASSESSMENT

BTEC Level 3 Nationals Business qualifications take a unit-by-unit approach and offer a combination of assessment styles.

This gives learners the opportunity to showcase their skills and apply their knowledge in an appropriate, work-related context, and provides evidence of what they can do when they apply to enter higher education or employment.

Assignments are practical tasks set in work-related scenarios that can be tailored to local industry needs . Learners demonstrate how they apply knowledge and skills to complete a practical project over a period of time, working individually or in groups	Tasks are practical work-related scenarios completed in realistic timebased situations. They are completed in controlled conditions and some tasks have pre-released information. Learners demonstrate how to apply learning to common workplace or HE scenarios. Tasks provide evidence of a consistent standard of assessment for all BTEC learners.	For written exams, learners draw on essential information to create written answers to practical questions in exam conditions. Learners demonstrate they can apply appropriate knowledge to a work-related challenge in timed conditions.
