

Post 16 Dress Code

We expect Post 16 students to adopt an image of young professionals. Post 16 students at The Aylesbury Vale Academy follow a formal dress code as role models for the rest of the Academy. Our expectation is that all students in Year 12 and 13 dress with pride, in a manner suitable for a professional working environment. The table below outlines clearly the dress code in place in the Aylesbury Vale Academy.
