

WOW

Art work linked to Human and Children's rights

English

Linked Texts and Writing opportunities:
We Are All Born Free – Nelson Mandela
Letter
Narrative
Diary

SPaG

Passive and active
Relative Clause
Use of comma
Punctuation for parenthesis and to mark boundaries

Science

Light

Pupils will be taught to recognise that light appears to travel in straight lines. They will use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye. They will also explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes and use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Maths

Number revision, percentages, fractions and decimals, Problem Solving.

Art and Design

Pupils will be taught to improve their mastery of art and design techniques, including drawing, painting with a range of materials. Children will explore cubism and perspective

RE

Do clothes express beliefs? We will be exploring whether clothing rules and restrictions can express belief and give people a sense of identity

PSHE

Dreams and goals

Pupils will know that there are universal rights for Everyone and will understand how their actions can affect people locally and globally.

History

Pupils will learn about children's rights and how these have changed. They will also be exploring key figures in Human Rights history.

Languages- Spanish and French

Pupils will be taught to describe people, places things and actions orally and in writing.

Geography

Pupils will be taught to use the 8 points of a compass, describe physical and human features of a place and locate cities and towns in the UK and Europe

Computing

Pupils will be taught about E-Safety, with a focus on Stranger Danger online and social media. They will also explore coding.

Music

Pupils will be taught to play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.

PE

Attacking and Defending: Pupils will be taught to apply principles for attacking and defending in team games.
