PSHE

Relationships

I can talk about someone who is special to me and I can tell you why I appreciate them and why I think we get on well together.

Changing me

I can talk about the similarities and the differences between boys' and girls' bodies and can use the correct terms to describe the differences.

RE

Are some stories more important than others?

Are there any differences between religious/faith stories and other stories?

Do we need shared special places?

Where is a special to a Jewish person?
What makes it a special place?

How do Jewish people feel about their shared special place?

Does it make it easier for them to feel part of the group?

Does it help them to believe?
